Private Terry of the United States Army was sent to Lancaster from San Antonio, Texas, to take back with him a three-year-old horse purchased by Dr. James B. Kinnard for an officer of the U. S. Army. Dr. Kinnard some little time ago bought two other horses for U. S. officers, these equines being shipped to the fort at Leavenworth, Kansas; and such was the admiration bestowed on these two animals that the accommodating Lancaster physician was asked to purchase another horse for an army officer who determined to own some of the superior horse flesh to be found in this section; the handsome equine is a three-year-old and was bought from John B. Foster, of Lincoln county for \$2,000.
